Vision Statement

Our vision is to be the global center for knowledge creation and dissemination through the scientific enquiry in all the spheres of human life based on the noble eightfold path and the principals of service to the humanity.

Mission Statement

Our mission is to achieve the global standards of academics steered through contemporary research blended with traditional knowledge and service to humanity by creating suitable systems, mechanism and infrastructures. The mission of the University entails:

- To achieve excellence and to keep pace with the international standards by strengthening teaching and research environment.
- To focus on developing the academic rigor blended with co-curricular activities that develops entrepreneurial and employable candidates for the society
- To develop the pool of talent equipped with professional skills, strong ethical and moral values and leadership qualities which can help in contributing towards the development of the local, regional, national and global development.
- To design and implement the courses, suitable modern systems and mechanism that enables the skills, nationalism and value-based learning among the students of the University and its affiliated colleges.
- To create an environment that attracts the international talent and provide safe and suitable platform for cross-cultural learning of skills and values.
- To run centers of excellence that conduct research, training and capacity building in the area of religion, science, social theories, international issues and entrepreneurship. To create modern, sustainable, green and eco-friendly environment systems and infrastructure that supports academic environment and contemporary research.

Our Inspiration

Smt. Anandiben Patel

Hon'ble Chancellor & Governor
Uttar Pradesh

From the Vice Chancellor's Desk...

It gives me immense pleasure to extend my warm greetings to all and share the vision and spirit of Siddharth University, Kapilvastu. Established with the aim of fostering knowledge, innovation, and values inspired by the teachings of Lord Buddha, our University stands committed to the holistic development of our students and the progress of society.

At Siddharth University, we believe that education is not merely a process of acquiring degrees but a lifelong journey of enlightenment and transformation. We strive to create an environment where curiosity is encouraged, creativity is nurtured, and excellence is pursued in every endeavour. Through quality teaching, cutting-edge research, and meaningful community engagement, we prepare our students to become responsible citizens and global leaders. Our dedicated faculty, modern infrastructure, and commitment to inclusivity make Siddharth University a hub of academic and cultural vibrancy.

The international agency QS I-Gauge has awarded Gold Rating to Siddharth University for its academic process, administration and infrastructure. In the last few years Siddharth University has introduced programs such as BA LLB, Performing and Visual Arts, Environmental Studies. The initiatives such as SUVOCAL, Buddhasya Nayvedyam, University Reach out to the Students, Knowledge Hub etc. reflects the holistic approach of the University for integrated growth. As we move forward, we continue to strengthen our focus on multidisciplinary learning, digital transformation, and sustainable development—ensuring that our graduates are equipped to face the challenges of a rapidly changing world.

I invite all students, scholars, and stakeholders to join us in this journey of learning and discovery. Together, let us carry forward the legacy of wisdom, peace, and progress that Siddharth Nagar symbolizes and be the light of prosperity not only for ourselves but also for the world.

Professor Kavita Shah

Vice-chancellor
Siddharth University, Kapilvastu

About Siddharth University

Siddharth University, Kapilvastu, established in 2015 in Siddharth Nagar, Uttar Pradesh, as a state university has played a transformative role in driving socio-economic development in the eastern region of the state. Situated in a predominantly rural and agrarian area near the Indo-Nepal border, the university has become a catalyst for educational advancement, skill development, and regional upliftment.

Within a short span, the university has been rated as Gold standard by international agency QS I-Gauge ascertaining its remarkable progress in academics, infrastructure, and institutional development. It currently affiliates around 250 colleges, catering to nearly two lakh students across various disciplines, thus becoming a significant center of higher education for the region. Its establishment has not only expanded access to higher education but also generated new opportunities for employment, research, and social inclusion. By bringing higher education to the doorstep of marginalized communities, Siddharth University has contributed to increased literacy rates, women's participation in education, and youth empowerment. The expansion of academic departments, vocational programs, and professional courses has enabled students to acquire employable skills and engage in productive sectors, thereby enhancing the local economy.

Academically, the University comprises of 24 departments under the faculties of Arts, Science, Commerce, and Law on campus. It

has introduced a range of undergraduate, postgraduate, and doctoral programs, reflecting its growing academic capacity including professional programs such as MBA, BBA, BA-LLB etc. The academic design is also supported with the faculty and student exchange programs and collaborative activities under MOU with national and international institutions.

In terms of infrastructure, Siddharth University has developed a modern campus with facilities like the Sambodhi central library, digital resources, central instrumentation facilities, well equipped class rooms, Gautam Buddha auditorium, Tathagat international guest house, seminar halls, hostels, sports and open gymnasium and transport services. New initiatives, such as the proposed multilingual language lab and establishment of a counselling centres, demonstrate a commitment to holistic student development and employability. The university's emphasis on digital learning, language training, and skill development initiatives aligns with the national vision of inclusive growth and "Education for All."

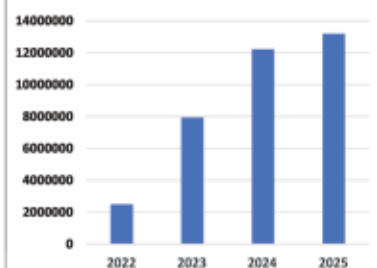

Overall, Siddharth University's growth reflects steady progress from a newly founded institution to a developing hub of education and research in eastern Uttar Pradesh. With continuous efforts in infrastructure, quality assurance, and student-centered policies, the university is on a promising trajectory toward becoming a leading educational institution in the country. Siddharth University's progress goes beyond academics; it is fostering social mobility, economic participation, and community development. Through education-driven empowerment, the university continues to serve as a vital engine of socio-economic growth for Uttar Pradesh and neighbouring regions.
